Clump Weights, Turning Bollards & Collars

CLUMP WEIGHTS & COLLARS

Our concrete supports protect and stabilise your pipes and cables in situ.

Pipeshield manufacture a wide range of concrete supporting and anchoring products including turning bollards, clump weights, weighted collars and horse shoes that support and safeguard. These can be coated with anti-abrasive coating or painted and tagged as required.

Pipeshield's in-house design team can design & manufacture bespoke concrete solutions to suit your projects.

All products are load tested.
